

State Director to contract out selective fact gathering, nondecision making servicing actions in this subpart.

(b) The State Director may delegate in writing any authority delegated to the State Director in this subpart unless otherwise restricted, to those State staff members who, in the opinion of the State Director, have been adequately trained and who demonstrate their knowledge in understanding and administering the MFH policies and procedures of FmHA or its successor agency under Public Law 103-354. The State Director may further delegate such authority in like manner to Servicing Offices by either of two options:

(1) To individual Servicing Office staff members, including the Servicing Official.

(2) To the position of Servicing Official, the incumbent of which may further delegate specified authority to identified Servicing Office staff members. A copy of such delegation will be filed with the State Director.

(c) Individual delegation of responsibility and authority may be limited or expanded in scope, or revoked, as deemed appropriate by the State Director, or the Servicing Official when applicable, and will be prepared according to FmHA or its successor agency under Public Law 103-354 Instruction 2006-F (available in any FmHA or its successor agency under Public Law 103-354 office).

§ 1930.144 Exception authority.

The Administrator may, in individual cases, make an exception to any requirements of this subpart not required by the authorizing statute if he/she finds that application of such requirement would adversely affect the interest of the Government or adversely affect the accomplishment of the purposes of the MFH program or result in undue hardship by applying the requirement. The Administrator may exercise the authority at the request of the State Director or the Assistant Administrator for Housing. The request must be supported by data that demonstrates the adverse impact, citing the particular requirement involved and recommending proper alternative course(s) of action, and out-

lining how the adverse impact could be mitigated.

§ 1930.145 Appeals.

Only the borrower, or the borrower's representative (as defined in subpart B of part 1900 of this chapter), can appeal an FmHA or its successor agency under Public Law 103-354 decision. The borrower's management agent may not request an appeal unless he/she has been designated as the borrower's representative. This means he/she must be authorized in writing by the borrower to act for the borrower in the administrative appeal, as required by subpart B of part 1900 of this chapter (this may be addressed in the management agreement). The borrower's request for review of an alleged adverse decision must be made to FmHA or its successor agency under Public Law 103-354 in written form. Appeals and reviews will be handled in accordance with directions set forth in subpart B of part 1900 of this chapter.
